

Food is our Passion, Safety is our Commitment!

Safety First – The Right Steps to Keep our Customers Safe

- Before starting a shift, all associates will conduct a Daily Health Assessment to ensure they are fit for work prior to each shift.
- Completion of the COVID-19 eLearning for all associates.
- Implementation of physical distancing standards to create a safe space for associates and our guests.
- Provision of adequate hand hygiene facilities for associates and our guests.
- Implementation of an enhanced cleaning and disinfection schedule.
- Implementation of protective solutions for high touch areas, cash stations.
- Facilities will be reviewed and approved through our Risk Management team before re-opening.

By pre-ordering and pre-paying meals we can reduce the friction of any transaction. Please visit CafZone.ca to find your school online!
