

Riverside Elementary Rapid Test Pickup

From 9 am-4 pm on **Wednesday, January 19th**, there will be 2 Homeroom Classes assigned to pick up Rapid Test Kits at the front of the building & 2 Classes assigned to pick up Rapid Test Kits at the back of the building during each hour.

Here's how it's going to go.....

Parents/Guardians will drive up along the sidewalk just like morning drop-off in the front. Please proceed to the end of the building. In the back, parents will drive to where the buses drop off students in the morning. Enter from Thomas Place and proceed right when you enter the school area and stop by the back door.

Please stay in your vehicles. Teachers will approach your vehicle, ask for the student's name and proceed to get the Rapid Test Kit. They will then return and hand them to you or place them in your trunk (your preference). There will be at least 4 teachers assisting you in this process.

Schedule: Thursday

Parent/Guardians who were unable to pick up their kits on Wednesday will have open times to drop into the school front entrance for pickup. Just buzz the front door and someone will be there to assist them. This must be done on an individual basis whereby only one parent/guardian is permitted at the front door at a time.

AM Session: 9-12

PM Session: 1-3

Note: We will not be able to accommodate anyone picking up kits for other students, with the exception of parents in the same homeroom. You must notify your child's teacher of this situation prior to the pickup.
