

Riverside Students, Parents and Guardians:

As we make our way during this difficult time, we encourage students to continue to play/sing/listen and move to music. Musical activities are a great way to relieve stress and anxiety for everyone. There are many apps and online activities for students to continue to enhance their music abilities.

4. Until eLearning is open, eLearning lesson pdfs are temporarily being posted in a few places: www.denisegagne.com (blog) Musicplay Teachers Group (FB) And in the printables at Musicplayonline for song #1 PreK - Time for Music
